Aranjuez and the Tagus river plains

Cultural landscape and wine tourism

ARANJUEZ · CHINCHÓN · CARABAÑA · ARGANDA DEL REY · CIEMPOZUELOS · ARANJUEZ

- Family Cycle Tourism 178 Km
- + 268 m Average Gradient Per Stage
- 8 Days / 7 Nights / 6 Stages

The perfect route for lovers of nature and rural areas with enchanting towns. Its best exponent is Aranjuez, one of the Royal Sites of the Spanish Crown. Its palace, its celebrated gardens and the natural setting that surrounds the town, with its historic plains and vegetable gardens, are a UNESCO World Heritage Site. A unique cultural landscape.

This region is characterised by the numerous rivers -the Tagus, the Tajuña, the Jarama and its tributaries- that flow through its territory. The landscape is varied, with a strong presence of riverbank areas and dense forests.

The Guadarrama Mountain Range is an extraordinarily outstanding refuge for biodiversity. Surrounded by breathtaking mountains, cirques and glacial lakes, this landscape of high mountains and vast pine forests has become one of the most popular areas in the Madrid Region for all lovers of active tourism.

Enjoy a beautiful environment while cycling and don't forget that at nightfall you can enjoy the numerous grill houses you will encounter.

Sierra Norte

Mountain Bike Tour

BUSTARVIEJO · LOZOYA · MONTEJO · EL ATAIZAR · BUSTARVIEJO

- Mountain sports cycling / 213 Km
- +1.529 m average gradient per route

Madrid's Sierra Norte (Northern Range) is a natural paradise comprising mountains and valleys with abundant and varied vegetation and wildlife. Within its boundaries are the Peñalara Natural Park, the Montejo Beech Forest and the Sierra del Rincón Biosphere Reserve. These are landscapes that invite you to enjoy mountain biking among friends.

This CiclaMadrid route is especially designed for MTB. The itinerary covers the perimeter of the Northern Range over a distance of 213 km, with numerous approaches to towns where you can find all kinds of tourist services. Almost the entire route traverses forest trails and paths in very good condition. The itinerary is mostly at middle level, taking into account that we are riding through mountainous territory. But the views are certainly spectacular.

Sierra Oeste

Countryside Cycling Tourism

SAN MARTÍN DE VALDEIGLESIAS · PELAYOS DE LA PRESA

- Countryside cycle tourism / 62 Km
- +870 m average gradient per stage
- 3 Days / 2 nights / 2 routes

The Sierra Oeste (Western Range) offers numerous tourist attractions, among them a vast forest mass of enormous environmental value, the Castle of La Coracera or wine tourism, with wines from the Vinos de Madrid Designation of Origin and many choices for activities organised by the wineries throughout the territory.

Here you also find *El Bosque Encantado*, the Enchanted Forest, a fascinating botanic wood containing 500 types of plants and 300 vegetation sculptures representing shapes as varied as a dragon, an elephant or a locomotive.

CiclaMadrid proposes two routes in this area, riding through great pine woods, rivers and meadowlands.

Gran Tour CiclaMadrid

19 days and 17 stages for thoroughly enjoying the Madrid Region

Cycle tourism in the Madrid Region

Madrid is rich and diverse. Madrid is more than Madrid.

Who would have thought that the Madrid region is a small microcosm where, in addition to extensive urban spaces, you find dense pine and holm oak forests, alpine summits, vineyards and olive groves, steppes and charming villages filled with life... within a radius of maximum one hour. Travellers from Spain and the world can discover all this in a very simple, eco-friendly, accessible and healthy way. And what could be better than using a bike, on a route that connects all of these attractions with cuisine, crafts, traditions and landscapes.

The CiclaMadrid Gran Tour is a great 420-kilometre cycling route to be followed by stages. Why not do it at least once in your life? Three UNESCO World Heritage Sites, seven Madrid Towns, enchanting villages, historic gardens and natural parks... All of Madrid in only 17 steps. The Tour is geared to almost everyone's abilities and can be adapted to each cyclist's characteristics by simply joining stages together wherever one wishes, or do them all one by one. The stages cover around 25 kilometres. Mornings are for cycling, afternoons for wandering... That's the idea.
